

Marquise Link Earrings

Required Supplies

20x9mm sterling silver marquise links (2)
5mm round Swarovski crystals (2)
Silver plated bead caps (2)
2 inch 24 gauge headpins (2)
Sterling silver ear wires (2)

Required Skills

Basic Wire Wrapping:

If you haven't learned basic wire wrapping, we teach this skill in our class *Introduction to Wire Wrapping*. You can also find instructions in our book, *Basic Beading the Bead World Way*, or on our website www.beadworldinc.com

Instructions

1. String one crystal and one bead cap onto a headpin (as shown below left.) Using your basic wire wrapping skills, form a loop above the bead (as shown below right).

2. Slide the marquise link into the formed loop (as shown below left). Carefully wrap the loop closed. Cut off any excess wire (as shown below right).

3. Open the loop at the bottom of the ear wire. Thread on the Marquise link and close the ear wire loop (as shown below left). The finished earring is shown below right. Repeat all steps to make the second earring.
